

Landscape Tradesman

Regal Innovations are looking for an enthusiastic Landscape Tradesman to be involved in our large scale commercial projects.

Applicants must have the following:

- Experience in working on commercial landscape projects
- Willingness to comply and improve company policy and procedure
- Trade background is a bonus
- A Can do attitude
- Ability to work without supervision
- Must be able to work within a team environment
- A Construction Industry Induction (White Card)
- Access to reliable transport and/or C-Class driver's license
- Machine tickets are favourable

About the Role:

- Interpreting plans, site set out and preparation
- General Landscaping works including Hard & Soft Landscaping
- Follow and develop site safety practices
- Ensure work is to a high standard

Regal offer a stable and consistent working environment with the support and training provided from the surrounding team.

Regal are currently undertaking a number of key Projects throughout Sydney for various councils and Tier 1 Builders. Previously Regal has completed works in Canberra, Newcastle and wider parts of New South Wales.
